Pre-Conference Workshop

8 a.m.–4:15 p.m.
Session 900
Certification Preparatory Course

This full-day workshop is directed at those who are preparing to take the CIC® certification examination for the first time. The exam reflects the new National Healthcare Safety Network (NHSN) healthcare-associated infection definitions and is geared toward infection preventionists (IPs) who have at least two years of experience in the field. Individuals interested in learning more about certification or acquiring basic infection prevention and control (IPC) knowledge, and those preparing for re-certification, are welcome to attend and encouraged to participate in the discussions and group activities.

Learning Objectives:
• Describe the fundamental concepts of the eight areas of IPC practice as defined in the Certification Board of Infection Control and Epidemiology (CBIC) content outline
• Discuss how examination questions are constructed
• Describe the steps in the certification process

Moderator:
Carol McLay, DrPH, MPH, RN, CIC
Infection Control International

Presenters:
Elizabeth Monsees, MSN, MBA, RN, CIC, FAPIC
Children’s Mercy Hospital
Sue Sebazco, RN, MBA, CIC
Texas Health Arlington Memorial Hospital
Connie Steed, MSN, RN, CIC, FAPIC
Greenville Health System

CERTIFICATION PREPARATORY COURSE FEE:
$295—with full conference registration
$375—course only

Both registration options include access to the APIC 2017 Welcome Reception.
